

Innovative Food Holdings, Inc. Announces First Quarter 2025 Earnings Call

May 8, 2025

BROADVIEW, Ill., May 08, 2025 (GLOBE NEWSWIRE) -- Innovative Food Holdings, Inc. (OTCQB: IVFH) ("IVFH" or the "Company"), a national seller of gourmet specialty foods, today announced the timing for a call with investors to discuss first quarter 2025 financial results.

The Company's management will hold an investor call on May 15, 2025 at 10:00 am Eastern Time to discuss the Company's first fiscal quarter results for the quarter ended March 31, 2025. At the end of the meeting, the Company will host a question-and-answer session with investors. All interested participants may attend the call on the web or by phone. The Company encourages those who wish to ask questions to join the call virtually through Zoom, rather than on the phone, as Zoom's "raise hand" feature makes it easier for management to identify questioners. Details for the meeting are as follows:

About Innovative Food Holdings, Inc.

At IVFH, we help make meals special. We provide access to foods that are hard to find, have a compelling story, or are on the forefront of food trends. Our gourmet foods marketplace connects the world's best artisan food makers with top professional chefs nationwide. We curate the assortment, experience, and tech enabled tools that help our professional chefs create unforgettable experiences for their guests. Additional information is available at www.ivfh.com.

Forward-Looking Statements

This release contains certain forward-looking statements and information relating to the Company that are based on the current beliefs of the Company's management, as well as assumptions made by, and information currently available to, the Company. Such statements, including those related to the Company's growth plans, reflect the current views of the Company with respect to future events and are subject to certain assumptions, including those described in this release. Should one or more of these underlying assumptions prove incorrect, actual results may vary materially from those described herein, which include words such as "should," "could," "will," "anticipate," "believe," "intend," "plan," "might," "potentially" "targeting" or "expect", or similar expressions. Additional factors that could also cause actual results to differ materially relate to current conditions and expected future developments, international crises, environmental and economic issues and other risk factors described in the Company's public filings. As a result, readers are cautioned not to place undue reliance on these forward-looking statements and should understand that these statements are not guarantees of performance or results and that there are a number of risks, uncertainties and other important factors, many of which are beyond the Company's control, that could cause the Company's actual results to differ materially from those expressed in these statements, including, among others: economic factors affecting consumer confidence and discretionary spending; cost inflation/deflation and commodity volatility; competition; reliance on third party suppliers and interruption of product supply or increases in product costs; changes in the Company's relationships with vendors and customers. The Company does not intend to update these forward-looking statements.

For a detailed discussion of these risks, uncertainties and other factors that could cause the Company's actual results to differ materially from those anticipated or expressed in any forward-looking statements, see the section entitled "Risk Factors" in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2023 filed with the Securities and Exchange Commission ("SEC"). Additional risks and uncertainties are discussed from time to time in current, quarterly and annual reports filed by the Company with the SEC, which are available on the SEC's website at <https://www.sec.gov/>.
